

our story...

Since 1957, Heywood Rural Health has provided a wide range of health and wellbeing services to and for the community.

Today Heywood Rural Health is a forty five bed facility (plus 5 acute beds), where our fully qualified staff provide compassionate, person centred care in a contemporary homelike environment.

OUR HOME-LIKE FACILITY:

- Aged Care Residential
- Sub-Acute Hospital
- Emergency Care
- General Medical Practice
- Respite Care
